

NLIG Conscience Meeting

8th January 2010

7.30pm Sherwood community Centre

Mansfield Road, Nottingham

As shown by the 12 Concepts we are a group lead structure.

The aims of an Intergroup are to aid the constituent Groups in their common purpose of carrying the AA message to the still suffering alcoholic and, by using their combined strength and unity to improve and maintain good relations with all organisations in the community. (Guideline 4 - Intergroups)

The following questions have been suggested as a starting point for the Intergroup conscience meeting. Please try to ensure your group is represented.

1. Are the day, time, venue and location suitable?
2. Are the minutes received in good time?
3. Are we carrying out the aims of intergroup?
4. What do we want to do in the future?
5. Any other ideas or suggestions from the groups.
